At least 9 hours of minor coursework must be taken at MU. A grade of C- or above in each minor course is required. A minimum minor GPA of 2.0 is required to earn the minor.

A minor must be completed and awarded at the same time as the MU undergraduate degree. Minor coursework cannot be used in the major. The same coursework cannot be used for multiple A&S minors. Minor coursework cannot also be used for the foreign language alternative. Once an A&S minor is awarded, a student cannot return to MU to complete a major in the same department.

A student who wishes to declare the Philosophy minor must complete this form and obtain the signature of the Philosophy advisor. Then the student must take the signed minor form to the A&S Advisement Center in 107 Lowry Hall for final approval and to officially declare the minor prior to graduation.
